1 **TO THE COURT, ALL PARTIES AND THEIR RESPECTIVE**
2 **COUNSEL OF RECORD:**

3 Plaintiffs LA Alliance for Human Rights, Joseph Burk, Harry Tashdjian,
4 Wenzial Jarrell, Karen Pinsky, Charles Malow, and George Frem (collectively,
5 “Plaintiffs”) and Defendant County of Los Angeles (“County” and together with
6 Plaintiffs, the “Parties”) have reached a second amended settlement in the above-
7 captioned case and respectfully request an order pursuant to Federal Rule of Civil
8 Procedure 41(a)(2) dismissing Plaintiffs’ claims against the County with prejudice.

9 Attached hereto as **Exhibit A** is the Parties’ previously-filed Stipulation for
10 Voluntary Dismissal pursuant to Federal Rule of Civil Procedure 41(a)(2), which the
11 Parties submitted on October 17, 2022, along with an executed copy of their
12 Settlement Agreement [Dkt. 485]. The Parties requested dismissal of this action due to
13 settlement because they believed their agreement was critical to effectuating Plaintiffs’
14 settlement with the City of Los Angeles and would bring valuable additional resources
15 to people experiencing homelessness (“PEH”).

16 At its core, the Settlement Agreement between the County and Plaintiffs was
17 intended to build on the success of the City and County’s collaboration under the
18 “freeway deal”—as memorialized in the June 2020 Memorandum of Understanding
19 [Dkt. 136, 185].¹ Under the terms of the Settlement Agreement, the County committed
20 to funding a suite of wraparound services at the thousands of interim and permanent
21 supportive housing units financed by the City pursuant to its settlement with Plaintiffs
22 through the end of the 2026–2027 fiscal year, connecting clients with available local,
23 State, and federal benefits to which they are entitled (including linkage to mental
24 health and substance use disorder (“SUD”) treatment services. [See Dkt. 421 (City
25

26 ¹ The freeway deal is an agreement between the City and County, whereby the
27 City agreed to provide 6,700 housing or shelter beds for vulnerable PEH, including
28 those residing under freeway overpasses, and the County agreed to assist the City with
funding services for the new beds in the amount of \$293 million and provide a package
of mainstream services to PEH residing in facilities established by the City pursuant to
this MOU.

1 settlement).] Experts agree that it is only the combination of housing/shelter and
2 supportive services that will bring meaningful relief to PEH by helping them transition
3 out of homelessness and receive access to benefits to maintain housing.

4 The Settlement Agreement contained a number of other benefits for PEH,
5 including but not limited to:

- 6 • The County agreed to make reasonable best efforts to ensure County
7 outreach teams have access to County Homeless Initiative-funded high
8 service need interim housing beds for PEH in the City.
- 9 • The County agreed to dramatically expand the number of Multi-
10 Disciplinary Teams (“MDTs”) and Homeless Outreach & Mobile
11 Engagement (“HOME”) teams that do field engagement (including on
12 Skid Row) to connect the most vulnerable PEH—unsheltered and living
13 with complex health or behavioral conditions, and/or a serious mental
14 illness—and connect them to necessary services and housing. The
15 agreement guarantees a 50 to 80 percent increase from current numbers.
- 16 • The County agreed to work with the City in making available to each
17 other appropriate City- and/or County-owned land, to create new interim
18 or permanent supportive housing units.

19 As a sign of its commitment, the County moved forward with implementing the
20 key terms of the Settlement Agreement even after the Court denied dismissal which is
21 why the bed funding agreement within the Settlement Agreement is retroactive to
22 2022.

23 Attached hereto as **Exhibit B** is the Parties’ Proposed Second Addendum to
24 their Settlement Agreement.² This Second Addendum further supplements the
25

26 ² The Parties’ submitted their First Addendum to the Settlement Agreement on
27 April 18, 2023, along with a renewed request for an order dismissing Plaintiffs’ claims
28 against the County with prejudice under Rule 41(a)(2) [Dkt. 533]. Attached hereto as
Exhibit C is the Parties’ fully-executed First Addendum to their Settlement
Agreement. The Second Addendum further augments the material terms of the
Agreement and First Addendum.

1 Settlement Agreement in three key ways:

2 **3,000 New Mental Health/Substance Use Disorder Beds:** The Parties recognize
3 the co-occurrence of homelessness, mental illness, and/or substance use disorder
4 (SUD) and, by extension, the importance of connecting eligible PEH with mental
5 health and SUD treatment and sustainable housing attached to needed treatment to help
6 lift them out of homelessness. Under the Second Addendum, the County is funding
7 3,000 new mental health/SUD beds for high acuity PEH and PEH with serious mental
8 illness and/or SUD—a 900 percent increase from the original Settlement
9 Agreement.³ These 3,000 beds are an array of beds along the continuum of care in
10 order to best support the different levels of needs of the County’s PEH population,
11 from treatment beds to housing beds with treatment services. The beds pair mental
12 health and/or SUD services with eligible individuals and PEH in need of ongoing
13 medical care. The individuals consist of current Department of Mental Health
14 (DMH)/Department of Public Health, Substance Abuse Prevention and Control
15 (SAPC) clients who need these types of care for their recovery journey and individuals
16 whom the departments are trying to enroll in DMH/SAPC services for their
17 health. Even if a client does not meet the licensed beds criteria, the continuum still
18 provides options for mental health and/or SUD treatment and sustainable housing. By
19 offering a spectrum of treatment options and housing settings, the County is best able
20 to meet the varied needs of PEH and more precisely address their individualized needs
21 in order to maximize their likelihood of long-term recovery.

22 **450 New “Board and Care” Subsidies:** The County intends to make available
23 450 new enhanced-rate subsidies for enriched residential care at licensed Adult
24 Residential Facilities (“ARFs”) and Residential Care Facilities for the Elderly
25 (“RCFEs”). These facilities are a vital housing resource for the County’s indigent
26 population and are often utilized by individuals who are homeless or at risk of
27

28 ³ The 3,000 new mental health/SUD beds under the Second Addendum is the total number of new beds under the Settlement Agreement between the Parties.

1 homelessness and need care and supervision to maintain housing. The Enriched
2 Residential Care (“ERC”) program is administered by the Department of Mental
3 Health and serves to decompress institutions such as hospitals or Institutes for Mental
4 Disease (“IMD”), including those who are homeless or at risk of becoming homeless
5 due to the need for a higher level of care. Over the last few years, these facilities have
6 been facing an existential crisis due to low reimbursement rates that outpace
7 maintenance and operating costs, which has forced the closure of many facilities and
8 threatened the housing stability of many of the County’s most vulnerable residents.
9 The subsidies under the First Addendum are valued at approximately \$40 million and
10 will help add an additional 450 clients daily to the program, which currently serves
11 approximately 738 individuals. In doing so, the First Addendum will help keep ARFs
12 and RCFEs in operation and encourage additional ARFs and RCFEs to open, thus
13 preserving this housing opportunity for clients who need the extra support provided by
14 licensed residential care facilities and 24/7 care and supervision. .

15 **Appointment of Hon. Jay C. Gandhi As Monitor of the Parties’ Settlement:**

16 The Second Addendum augments the accountability provisions under the existing
17 Settlement Agreement by adding Judge Jay C. Gandhi (Ret.) as a monitor of the
18 County’s compliance with the settlement. Judge Gandhi’s oversight is in addition to
19 the County’s quarterly reporting obligations to Plaintiffs and the Court’s acceptance of
20 continuing jurisdiction (in the exercise of its discretion) through the end of fiscal year
21 2026/27, as already provided for in the Settlement Agreement. Judge Gandhi is a
22 conscientious and thorough jurist who has a demonstrated track record of success
23 working with public entities and government officials. He was also material to
24 brokering the Settlement Agreement between the Parties and thus has a meaningful
25 background in the case, the terms of the agreement, and the complexities of
26 homelessness, serious mental illness, and substance use disorder. While Judge Gandhi
27 already has some background because of his involvement in the settlement discussions,
28 he is committed to getting up to speed and conducting meaningful assessments,

1 including anticipated on-site visits, so that he can provide comprehensive information
2 to the Court.

3 * * *

4 This Parties’ Settlement Agreement and Addenda further the well-recognized
5 public policy in favor of settlements, which conserve judicial and party resources. *See*
6 *Ahern v. Cent. Pac. Freight Lines*, 846 F.2d 47, 48 (9th Cir. 1988) (“The Ninth Circuit
7 is firmly ‘committed to the rule that the law favors and encourages compromise
8 settlements.’” (citation omitted.)) Not only that, but it reflects the Parties’ mutual
9 desire to bring this historic litigation to a close and help PEH. All Parties want this
10 Agreement. The Parties respectfully request that the Court approve the stipulation and
11 enter an order dismissing Plaintiffs’ claims against the County with prejudice.

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is entered into in connection with the action *LA Alliance for Human Rights et al. v. City of Los Angeles et al.*, U.S. District Court for the Central District of California, Case No. 2:20-cv-02291 (the “Action”) by and between the County of Los Angeles (“County”); LA Alliance for Human Rights, Joseph Burk, Harry Tashdjian, Wenzial Jarrell, Karyn Pinsky, Charles Malow, and George Frem (collectively, “Plaintiffs”); and Spertus, Landes, & Umhofer, LLP (“Plaintiffs’ Counsel”), solely with respect to Section B.5 of this Agreement. Each of the County and Plaintiffs is referred to individually as a “Party” and collectively as the “Parties.”

In and through this landmark Agreement, the Parties desire to end the Action and also address the needs of People Experiencing Homelessness (“PEH”) by supporting the development of housing units and the provision of a comprehensive and targeted array of supportive services designed to prevent and end homelessness, and by strengthening existing agreements and partnerships between and among relevant stakeholders such as the Parties and the City of Los Angeles (“City”). This Agreement follows over two years of contested litigation involving significant motion practice and an appeal, and months of arduous mediation attended by the Parties and the City. All Parties have found and determined that this Agreement is entered into for good consideration following a lengthy negotiation and revision process.

RECITALS

WHEREAS, Plaintiff LA Alliance for Human Rights (“Alliance”) is an incorporated non-profit membership association in Los Angeles, California;

WHEREAS, Alliance’s members include Plaintiffs Joseph Burk, Harry Tashdjian, Wenzial Jarrell, Karyn Pinsky, Charles Malow, George Frem, Charles Van Scoy, Leonard Suarez, all other individual plaintiffs that appeared in the Action, and current and/or former homeless individuals, non-profit organizations, community leaders, employees, residents, business owners, service providers, and community members residing and/or working in the County and/or the City;

WHEREAS, on March 10, 2020, Plaintiffs initiated the Action against the City and the County in the District Court for the Central District of California, where it was assigned to the Honorable David O. Carter (“District Court”);

WHEREAS, on April 20, 2021, the District Court entered a preliminary injunction against the City and County, ordering the County to, *inter alia*, cease any sales, transfers or leases of County-owned properties, shelter and provide treatment services to all residents of Skid Row, and prepare numerous audits and reports (ECF No. 277);

WHEREAS, on October 15, 2021, the United States Court of Appeals for the Ninth Circuit vacated the injunction issued by the District Court and remanded the Action to the District Court;

WHEREAS, on November 1, 2021, Plaintiffs filed a First Amended and Supplemental Complaint (“FASC”) against the City and the County (ECF No. 361);

WHEREAS, the County denied all claims in the FASC and filed a motion to dismiss the FASC, which was taken under submission by the District Court following a hearing on January 24, 2022 (ECF No. 370);

WHEREAS, while the County's motion to dismiss was pending, Plaintiffs and the City entered into a settlement agreement to which the County is not a party (the "City Settlement"), and also filed a stipulated order of dismissal as to Plaintiffs' claims against the City (ECF Nos. 426-1, 429-1);

WHEREAS, on June 14, 2022, the District Court entered an order approving the settlement agreement between Plaintiffs and the City, and dismissing with prejudice Plaintiffs' claims against the City as alleged in the FASC (ECF No. 445) but retained jurisdiction for purposes of enforcement;

WHEREAS, on July 15, 2022, Plaintiffs filed a Second Amended and Supplemental Complaint ("SASC") against the County (ECF No. 454);

WHEREAS, the County expressly denies all claims alleged in the SASC;

WHEREAS, the Parties have participated in multiple mediation sessions before neutral third parties at which all Parties were represented by sophisticated counsel of their choosing and engaged in arms-length negotiations that resulted in this Agreement;

WHEREAS, Plaintiffs and the County now desire to fully and finally compromise and settle all claims arising out of or relating to all matters alleged or that could have been alleged in the Action with respect to the Parties, without any admission of fault, liability, or wrongdoing, in the interests of avoiding the additional expense and the inherent uncertainties of protracted litigation upon the terms and conditions set forth in this Agreement; and

NOW THEREFORE, in consideration of the promises, covenants, warranties, representations, and conditions contained herein, for good and valuable consideration given hereunder, and with the intent to be legally bound, the Parties hereby agree as follows:

TERMS

A. Effective Date and Duration:

1. Subject to the requirements of Sections A.2 and E, this Agreement shall become effective and operative on the date that the District Court enters an Order dismissing, with prejudice, the Action, subject to the court's continuing enforcement in accordance with Section P of this Agreement.

2. The effectiveness of this Agreement is expressly subject to and contingent upon approval by the County's approval of settlements process, including by the Los Angeles County Claims Board and/or the County Board of Supervisors, and by approval of the individual Plaintiffs.

3. The County's obligations in Section D.1-9 of this Agreement shall terminate at the end of fiscal year 2026/2027 (*i.e.*, June 30, 2027).

Each Party further warrants and represents that he, she, or it executes this Agreement freely, knowingly, and voluntarily, that any representative executing this Agreement on behalf of any Party has the full authority of that Party to do so and thereby bind the Party represented, and that each Party is fully aware of and understands the content and effect of this Agreement.

Plaintiffs' Counsel may enter into a separate distribution agreement at their discretion. The County shall not be responsible for the allocation or payment of any sum between and among any of Plaintiffs, Plaintiffs' counsel, and any of their affiliates, representatives, members, agents, and assigns. Except for the Payment, each Party shall be responsible for and bear its own attorneys' fees and costs incurred in the Action including in connection with the negotiation and execution of this Agreement.

2. Plaintiffs and Plaintiffs' Counsel acknowledge that no representations have been made by the County regarding the taxability of all or any portion of this Agreement, and that they have had the opportunity to seek independent advice regarding the tax consequences of this Agreement and accept each responsibility for satisfaction of their own tax obligation(s) and/or liabilities, if any, that may result from this Agreement.

D. County's Obligations:

1. Support for Plaintiffs' Settlement with the City:

i. From fiscal year 2022/2023 through fiscal year 2026/2027, the County shall fund and provide supportive services for interim housing and permanent supportive housing units financed by the City as part of the City Settlement, as units are developed by the City and become occupiable, in an amount to be determined solely by County and City in their respective discretion. These supportive services shall include, but shall not be limited to, "mainstream" services including public assistance programs, mental health services, substance use disorder services, and benefits advocacy services to clients who meet eligibility criteria for these services.

ii. The County shall provide City-funded outreach teams with access to Department of Mental Health ("DMH"), Department of Health Services ("DHS"), Department of Public Social Services ("DPSS"), and Department of Public Health ("DPH") services directly and through coordination with Multi-Disciplinary Teams ("MDTs") and Homeless Outreach & Mobile Engagement ("HOME") teams assigned within the City.

iii. The Parties acknowledge that the County does not support the enforcement component of the City's street engagement strategy and no funding or services from the County or any County department or affiliated agency committed herein will be used to support the City's street engagement strategy.

2. **Beds Available to County Outreach Teams:** Throughout the term of this Agreement, the County shall make reasonable best efforts to ensure County outreach teams (including the increased MDT and HOME teams referenced above) have access to County Homeless Initiative-funded high service need interim housing beds for PEH in the City, and that those beds shall either be exclusively for use by, or prioritize, PEH in the City.

3. **Mental Health/Substance Use Disorder Beds:** By the end of fiscal year 2023/2024 (*i.e.*, June 30, 2024), the County shall develop 300 additional substance use and mental health beds according to the greatest need as solely determined by the County.

4. **Multi-Disciplinary Teams (MDTs):** The County shall increase to 34 from 22 (numbers based on what is currently required and could be subject to change based on the latest point-in-time count) the number of MDTs dedicated to conducting outreach exclusively in the City, allocating at least 1 team per Council District and remaining teams assigned where there is the greatest need as informed by the Point-In-Time Count. The County shall increase the number of MDTs from 22 to a minimum of 28 by the end of fiscal year 2022/2023 (*i.e.*, June 30, 2023) and to a minimum of 34 by the end of fiscal year 2023/2024 (*i.e.*, June 30, 2024).

5. **Homeless Outreach and Mobile Engagement (HOME) Teams:** The County shall increase to 10 from 5.5 (numbers based on what is currently required and could be subject to change based on the latest point-in-time count) the number of HOME teams dedicated to conducting outreach exclusively in the City. The County shall increase the number of HOME teams from 5.5 to a minimum of 8 by the end of fiscal year 2022/2023 (*i.e.*, June 30, 2023) and to a minimum of 10 by the end of fiscal year 2023/2024 (*i.e.*, June 30, 2024).

6. **Partnership on City- and County-Owned Land:** Throughout the term of this Agreement, the County shall continue to work with the City in making available to each other appropriate City- and/or County-owned land, located within the City's jurisdiction, to create new interim or permanent housing units as mutually agreed by County and City.

7. **PEH with Serious Mental Illness or Substance Use Disorders:** The County acknowledges it has responsibilities under State and federal law to provide services, including but not limited to clinical treatment, to eligible County residents suffering from serious mental illness and/or substance use disorders, including PEH in the City. Throughout the term of this Agreement, County shall work with the City to advocate and apply for additional state and federal funding for this purpose as mutually agreed to by County and City.

8. **New Funding:** If the County or City obtains significant new funding from City ballot initiative United to House L.A. or County Measure H extension for the housing and/or services outlined in this Agreement, the County shall consider and may propose potential amendments to this Agreement to enhance housing and services City-wide or County-wide. Such amendments may include (but not be limited to) continuation of operations and supportive services for the permanent and interim units beyond the term of the Agreement, or redeployment of resources to address homelessness in other cities or unincorporated County jurisdictions.

9. **Reporting:** The County shall file reports regarding its progress in meeting its obligations under this Agreement quarterly. Each status report shall be provided within 30 days of the end of the County's fiscal quarter. Reports shall include the following:

i. Support for Plaintiffs' Settlement with the City:

(1) Upon receiving information from City at least 30 days before a quarterly report is due, County shall include a status regarding support services for interim and permanent supportive housing units: what units are being supported, what services have been provided, and numbers of PEH accessing services. County shall have no responsibility to confirm or otherwise verify the accuracy or completeness of the information provided to it by City or on behalf of City;

(2) Upon receiving information from City at least 30 days before a quarterly report is due, County shall include the number of contacts or service support requests by City Outreach worker, and the result of those contacts and/or service support requests, including (a) type or types of service requests, (b) agency or organization to provide/which provided services, (c) number of requests per individual, and (d) location where request was made. County shall have no responsibility to confirm or otherwise verify the accuracy or completeness of the information provided to it by City or on behalf of City.

ii. Beds Available to County Outreach Teams:

(1) The number of referrals to Homeless Initiative-funded high service need interim housing beds, the type of team making the referral, the disposition of the referral, and an explanation for any referrals that are not approved (if any).

iii. Mental Health/Substance Use Disorder Beds:

(1) The number of beds that have been developed (or status thereon) under this agreement, what said beds are being used for, and basis for determining greatest need.

iv. Multi-Disciplinary Teams:

(1) The number of MDTs deployed under this agreement, where, and how the greatest need has been evaluated (or re-evaluated).

v. Homeless Outreach and Mobile Engagement Teams:

vi. Partnership on City- and County-Owned Land:

(1) A status of City/County's land partnership.

vii. PEH with Serious Mental Illness or Substance Use Disorders:

(1) Status regarding any advocacy or applications for additional state or federal funding for PEH with serious mental illness or substance use disorders.

E. Releases:

1. Plaintiffs, including each of their heirs, spouses, trustees, successors, assigns, agents, representatives, attorneys, employees, officers, directors, shareholders, members, managers, principals, partners, insurers, and predecessors (collectively, the "Releasing Parties"), hereby absolutely and forever release and discharge the County, including all of its boards, bureaus, departments, elected and appointed officials, representatives, attorneys, administrators, officers, agents, employees, and all persons that acted on behalf of the County, and each of their predecessors, successors, agents, and assigns (the "County Released Parties"), from any and all claims, including claims for damages, damages, demands, actions, causes of action, suits, covenants, settlements, contracts, agreements, and liabilities for personal injuries, property damage, loss, cost or expense of every nature whatsoever, whether known or unknown, contingent or otherwise, at law or in equity, and whether or not expected to exist which the undersigned Plaintiffs to this Agreement had, have, or may have against the County Released Parties, and each of them, that arise out of or are related to the Action, and any allegations, events, transactions or occurrences that were alleged or that could have been alleged therein ("Claims").

2. The Releasing Parties acknowledge that they are aware that statutes exist that render null and void releases and discharges of any claims, rights, demands, liabilities, actions and causes of action that are unknown to the releasing or discharging parties at the time of execution of those releases and discharges. The Releasing Parties expressly waive, surrender, and agree to forego any protection to which they would otherwise be entitled by virtue of the

existence of any statute in any jurisdiction, including California. Plaintiffs acknowledge that they are familiar with section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

It is understood and agreed that all rights under section 1542 of the California Civil Code are expressly waived by the Releasing Parties, to the full extent allowed by law. The Releasing Parties agree that this Agreement extends and applies to all unknown, unsuspected and unanticipated claims, demands, injuries, or damages within the scope of this Agreement and the releases herein. The Releasing Parties waive any equivalent provision of any statute of the United States or any other state or jurisdiction with respect to such claims, demands, injuries, or damages within the scope of this Agreement.

The Releasing Parties recognize and acknowledge that factors which have induced each of them to enter into this agreement may turn out to be incorrect or to be different from what they had previously anticipated, and they hereby expressly assume any and all of the risks thereof and further expressly assumes the risks of waiving the rights provided by California Civil Code section 1542.

3. Releasing Party does not waive future claims, subject to corresponding statute of limitations, after the term of the Agreement ends. The Releasing Parties agree that the Payment and the County's obligations set forth in Section D, pursuant to, and in accordance with this Agreement, is valuable consideration for the releases in this Section and every other benefit conferred upon them directly or indirectly under this Agreement.

4. The Releasing Parties acknowledge that their execution and delivery of the releases in this Section is a condition of the County's obligations under this Agreement and that the County is relying on this release in carrying out its obligations under this Agreement.

F. Dismissal With Prejudice: Within five (5) days of the execution of this Agreement by all Parties, Plaintiffs shall file a Joint Stipulation For Voluntary Dismissal With Prejudice Pursuant to F.R.C.P. 41(a)(2) (the "Stipulation"). In the event that the District Court enters an order granting the Stipulation upon terms and conditions not agreed to by the Parties in this Agreement, the Parties may withdraw their consent to this Agreement and continue the Action if the Agreement and its terms never existed.

G. No Prevailing Party: The Parties agree that no Party to this Agreement is a prevailing party under any applicable law, including 42 U.S.C. § 1988 or similar fee-shifting statutes.

H. No Admission of Liability: This Agreement is the result of a compromise and for the purpose of settling disputed claims, and shall not at any time for any purpose constitute or be considered or deemed any admission of liability on the part of any Party hereto. Each Party expressly denies any wrongdoing or liability in connection with any action or omission relating

to one another. This Agreement and any document related to this settlement, and the negotiations leading thereto, shall be inadmissible in evidence and shall not be used for any purpose in this or any other proceeding except in an action or proceeding to approve, interpret, implement, or enforce the Agreement.

I. Entire Agreement: This Agreement contains all of the terms and conditions agreed upon by the Parties regarding the subject matter of this Agreement, and supersedes all prior and contemporaneous oral and written agreements and discussions between Plaintiffs and County.

J. Construction: The Parties have collaborated with each other in drafting and preparing this Agreement. No Party to this Agreement, or any Party's respective counsel, shall be deemed to have drafted this Agreement, and this Agreement shall not be construed as against any Party on such grounds.

K. No Oral Modifications: This Agreement constitutes the entire agreement between Parties hereto, and no oral understanding not incorporated herein shall be binding on any Party. This Agreement may only be modified, altered or revised, as necessary, by mutual consent of the parties hereto by the issuance of a written amendment, signed and dated by the Parties.

L. Successors: The provisions of this Agreement shall be deemed to extend to and inure to the benefit of the Parties' respective transferees, grantees, assigns, successors, heirs, trustees, executors, administrators, and any other person or entity claiming by or through them, and to extend to and obligate the Parties' respective transferees, grantees, assigns, heirs, trustees, executors, and administrators.

M. No Third Party Beneficiaries: Notwithstanding anything in this Agreement to the contrary, there are no intended third-party beneficiaries that may assert rights or defenses under this Agreement, except the Parties to this Agreement and their Counsel.

N. Severability: Should any part of this Agreement be declared invalid, void or unenforceable, all remaining parts shall remain in full force and effect and shall in no way be invalidated or affected.

O. Choice of Law: This Agreement in all respects shall be interpreted, enforced, and governed by and under the laws of the State of California applicable to instruments, persons, and transactions that have legal contracts and relationships solely within the State of California.

P. Dispute Resolution:

1. The Parties agree that the procedures contained in this Section are the required and exclusive steps for resolving any dispute between the Parties arising out of or relating to this Agreement or any Party's rights or obligations hereunder ("Dispute").

i. Dispute Initiation/Right to Cure: In the event of any dispute between the Parties arising out of or relating to this Agreement or any Party's rights or obligations hereunder, a Party wishing to raise a claim, demand, or cause of action (the "Claiming Party") against any other Party (the "Responding Party") shall, before taking any other action concerning the dispute, provide to the Responding Party written notice setting out in reasonable detail the nature

of the dispute and the relief sought (“Notice of Dispute”). The Parties shall meet and confer within a reasonable time in a good-faith effort to resolve the dispute through informal negotiations. Any Party that is alleged in a Notice of Dispute to be in breach of this Agreement, and who, after meeting and conferring, requests an opportunity to cure, shall have up to one hundred twenty (120) days after receipt of the Notice of Dispute to cure such alleged breach, unless otherwise agreed (“Cure Period”). No Party will be considered in breach of this Agreement unless it is alleged that such Party has failed to substantially perform its obligations under this Agreement (“Breach”).

ii. Judicial Enforcement: If, after exhausting the dispute resolution procedures described in Section (P)(1)(i), the Claiming Party still alleges the Responding Party is in breach of this Agreement, the Claiming Party may file a notice of breach and request for judicial enforcement in the District Court to remedy such alleged breach. The District Court retains jurisdiction, at its discretion, for purposes of enforcing this Agreement until the end of fiscal year 2026/2027 (*i.e.*, June 30, 2027). The only relief that any Party may seek in the event of an alleged Breach of this Agreement will be an order compelling specific performance of the Agreement. No Party may seek monetary damages of any kind as a result of an alleged Breach.

2. Each Party shall bear his, her, or its own costs and fees in connection with any of the dispute resolution processes under this Section.

Each of the County and Plaintiffs is referred to individually as a “Party” and collectively as the “Parties.”

RECITALS

WHEREAS, on October 11, 2022, the Parties entered into a Settlement Agreement (“Agreement”), wherein they memorialized their agreement to settle and finally resolve the matter entitled *LA Alliance for Human Rights et al. v. City of Los Angeles et al.*, U.S. District Court for the Central District of California, Case No. 2:20-cv-02291 (the “Action”); and

WHEREAS, on October 17, 2022, the Parties filed a copy of the Agreement with the Court and jointly requested the Court to dismiss the Action against the County; the Court scheduled a hearing regarding the Agreement; and

WHEREAS, on January 17, 2023, the Parties attended the hearing, and in light of the new leadership at the County and City of Los Angeles level, the Parties indicated their interest in reviewing and potentially increasing resources for the People Experiencing Homelessness (“PEH”); and

WHEREAS, the Parties subsequently negotiated and entered into an Addendum to Settlement Agreement (the “First Addendum”), pursuant to which the County agreed to provide substantial new resources to ameliorate homelessness, including developing/contracting 1,000 new mental health and substance use disorder beds for PEH, as well as making available 450 new subsidies for enriched residential care for Adult Residential Facilities and Residential Care Facilities for the Elderly beds (commonly called “Board and Care” beds) that are frequently utilized by individuals with a serious mental illness who are at risk of homelessness; and

WHEREAS, on August 17, 2023, the Parties filed a Stipulation to Continue Trial and All Pretrial Deadlines and informed the Court the Parties have resumed settlement negotiations; and

WHEREAS, the Parties still desire to fully and finally compromise and settle all claims arising out of or relating to all matters alleged or that could have been alleged in the Action, without any admission of fault, liability, or wrongdoing, in the interests of avoiding the additional expense and the inherent uncertainties of protracted litigation and trial on the terms and conditions of the Agreement, the First Addendum, and this Addendum;
