**PROCEEDINGS (IN CHAMBERS): ORDER SETTING HEARING FOR
JUNE 6, 2024**

The Court will hold a hearing in this matter on June 6, 2024, at 10:00 a.m.

In advance of the June 6 hearing, the parties are ordered to meet and confer with Special Master Michele Martinez, Judge Andre Birotte, and Special Master Jay Gandhi concerning the following:

- Completion of necessary fields in the HMIS system so that meaningful services are provided to the City. After numerous delays in the County and City resolving the HMIS fields, the parties and LAHSA should be able to attest and verify in court that these fields are sufficient. Public input is welcome.
- Both the City and the County have created public websites to upload paid invoices submitted by third-party service providers. However, neither the City nor the County has recently updated their website:
 - The most recent invoice on the City’s website is from March 28, 2024.

- The most recent invoice on the County’s website is from April 9, 2024.

At the June 6 hearing, the Court requests that the City and County provide an update on the timeline on which they receive invoices from LAHSA and post them to the public website. The Court also expects to hear what verification and documentation procedures the City, County, LAHSA, and the Controller use to ensure services that are paid for are being provided by the providers.

- At the end of April, both the City and County filed status reports regarding their compliance with the Settlement Agreements. *See* City Status Report (dkt. 729); County Status Report (dkt. 734). At the June 6 hearing, the Court invites objections or feedback from Plaintiffs, Intervenors, and the public regarding the adequacy of those reports.

The hearing will be held at the First Street Courthouse in Los Angeles. Courtroom to follow. The Controller for the City of Los Angeles and LAHSA are invited to attend.

The Clerk shall serve this minute order on the parties.
