**UNITED STATES DISTRICT COURT
CENTRAL DISTRICT OF CALIFORNIA
WESTERN DIVISION**

*		}	Case No. CV DMG (x)
	Plaintiff/s,	}	INITIAL STANDING ORDER
	v.	}	
*		}	
	Defendant/s.	}	

PLEASE READ THIS ORDER CAREFULLY. IT GOVERNS THIS CASE AND DIFFERS IN SOME RESPECTS FROM THE LOCAL RULES.

COUNSEL FOR PLAINTIFFS SHALL SERVE THIS ORDER IMMEDIATELY ON ALL PARTIES AND/OR THEIR COUNSEL, INCLUDING ANY NEW PARTIES TO THE ACTION. IF THIS CASE WAS REMOVED FROM STATE COURT, DEFENDANT WHO REMOVED THE CASE SHALL SERVE THIS ORDER ON ALL OTHER PARTIES.

This case has been assigned to the calendar of Judge Dolly M. Gee. Both the Court and counsel bear responsibility for the progress of this litigation in federal court. To “secure the just, speedy, and inexpensive determination” of this case, as called for in Fed.

1 R. Civ. P. 1, all parties or their counsel are ordered to become familiar with the Federal
2 Rules of Civil Procedure, the Local Rules of the Central District of California, and this
3 Court's standing orders.

4 **1. SERVICE OF THE COMPLAINT**

5 Plaintiff shall promptly serve the complaint in accordance with Fed. R. Civ. P. 4 and
6 file the proofs of service pursuant to Local Rule 5-3.1. Any defendant not timely served
7 under Fed. R. Civ. P. 4(m) shall be dismissed from the action without prejudice.

8 **2. ASSIGNMENT TO A MAGISTRATE JUDGE**

9 Under 28 U.S.C. § 636, the parties may consent to have a Magistrate Judge preside
10 over all proceedings, including trial. The Magistrate Judges who accept those designations
11 are identified on the Central District's website, which also contains the consent form.

12 **3. DISCOVERY**

13 **a. Discovery Matters Referred to Magistrate Judge**

14 All discovery matters have been referred to the assigned United States Magistrate
15 Judge, who will hear all discovery disputes. The Magistrate Judge's initials follow the
16 District Judge's initials next to the case number. All discovery-related documents must
17 include the words "DISCOVERY MATTER" in the caption to ensure proper routing.
18 Counsel are directed to contact the Magistrate Judge's courtroom deputy clerk to schedule
19 matters for hearing. Please comply with Local Rule 37 and deliver mandatory chambers
20 copies of discovery-related papers to the Magistrate Judge assigned to this case rather than
21 to this Court.

22 In accordance with 28 U.S.C. § 636(b)(1)(A), the Court will not reverse any order
23 of the Magistrate Judge unless it has been shown that the Magistrate Judge's order is clearly
24 erroneous or contrary to law.

25 Any party may file and serve a motion for review and reconsideration before this
26 Court. *See* Local Rule 72-2. The moving party must file and serve the motion within
27 fourteen (14) days of service of a written ruling or within fourteen (14) days of an oral
28 ruling that the Magistrate Judge states will not be followed by a written ruling. The motion

1 must specify which portions of the ruling are clearly erroneous or contrary to law and
2 support the contention with points and authorities. Counsel shall deliver a conformed copy
3 of the moving papers and responses to the Magistrate Judge’s courtroom deputy clerk at
4 the time of filing.

5 **b. Compliance with Fed. R. Civ. P. 26(a)**

6 Unless there is a likelihood that upon motion by a party the Court would order that
7 any or all discovery is premature, **it is advisable for counsel to begin to conduct**
8 **discovery actively before the Scheduling Conference.** At the very least, the parties shall
9 comply fully with the letter and spirit of Fed. R. Civ. P. 26(a) and thereby obtain and
10 produce most of what would be produced in the early stage of discovery, because at the
11 Scheduling Conference the Court will impose firm deadlines to complete discovery.

12 **4. MOTIONS - GENERAL REQUIREMENTS**

13 **a. Time for Filing and Hearing Motions**

14 Motions shall be filed in accordance with Local Rule 7. This Court hears motions
15 on **Fridays, beginning at 9:30 a.m.** If Friday is a national holiday, motions will be heard
16 on the next Friday. It is not necessary to clear a hearing date with the judge’s courtroom
17 deputy clerk before filing a motion, except for motions for summary judgment or
18 preliminary injunction. If the motion date selected is not available, the Court will issue a
19 minute order continuing the date.

20 **b. Pre-Filing Requirement To Meet and Confer**

21 Counsel must comply with Local Rule 7-3, which requires counsel to engage in a
22 pre-filing conference “to discuss thoroughly . . . the substance of the contemplated motion
23 and any potential resolution.” Counsel should discuss the issues to a sufficient degree that
24 if a motion is still necessary, the briefing may be directed to those substantive issues
25 requiring resolution by the Court. Counsel should resolve minor procedural or other non-
26 substantive matters during the conference. The *pro se* status of one or more parties does
27 not negate this requirement.

28 **c. Length and Format of Motion Papers**

1 Memoranda of points and authorities shall not exceed 7,000 words and 25 pages.
2 *See* Local Rule 11-6. Only in rare instances and for good cause shown will the Court grant
3 an application to extend these page limitations. **No supplemental brief shall be filed**
4 **without prior leave of Court.**

5 If documentary evidence in support of or in opposition to a motion exceeds 50 pages,
6 a Chambers copy is required. If between 50-200 pages, the evidence must be separately
7 bound and tabbed and include an index. If such evidence exceeds 200 pages, the
8 documents shall be placed in a Slant D-Ring binder, with an index and with each item of
9 evidence separated by a tab divider on the right side.

10 **d. Citations to Case Law**

11 Citations to case law must identify not only the case cited, but the specific page
12 referenced.

13 **e. Citations to Other Sources**

14 Statutory references should identify with specificity the sections and subsections
15 referenced. Citations to treatises, manuals, and other materials should include the volume,
16 section, and pages being referenced.

17 **f. Oral Argument**

18 If the Court deems a matter appropriate for decision without oral argument, the Court
19 will notify the parties in advance.

20 **5. SPECIFIC MOTION REQUIREMENTS**

21 **a. Motions Pursuant to Rule 12**

22 Many motions to dismiss or to strike can be avoided if the parties confer in good
23 faith (as required by Local Rule 7-3), especially for perceived defects in a complaint,
24 answer, or counterclaim that could be corrected by amendment. *See Chang v. Chen*, 80
25 F.3d 1293, 1296 (9th Cir. 1996) (where a motion to dismiss is granted, a district court
26 should provide leave to amend unless it is clear that the complaint could not be saved by
27 any amendment). Moreover, a party has the right to amend the complaint “once as a matter
28 of course at any time before a responsive pleading is served.” Fed. R. Civ. P. 15(a). A

1 Rule 12(b)(6) motion is not a responsive pleading and therefore plaintiff might have a right
2 to amend. *See, e.g., St. Michael's Convalescent Hospital v. California*, 643 F.2d 1369,
3 1374 (9th Cir. 1981); *Nolen v. Fitzharris*, 450 F.2d 958, 958-59 (9th Cir. 1971). Even after
4 a complaint has been amended or a responsive pleading has been served, the Federal Rules
5 provide that leave to amend should be "freely given when justice so requires." Fed. R. Civ.
6 P. 15(a). The Ninth Circuit requires that this policy favoring amendment be applied with
7 "extreme liberality." *Morongo Band of Mission Indians v. Rose*, 893 F.2d 1074, 1079 (9th
8 Cir. 1990).

9 These principles require that plaintiff's counsel carefully evaluate defendant's
10 contentions as to the deficiencies in the complaint. In most instances, the moving party
11 should agree to any amendment that would cure the defect.

12 **b. Motions to Amend**

13 In addition to the requirements of Local Rule 15-1, all motions to amend pleadings
14 shall: (1) state the effect of the amendment and (2) identify the page and line number(s)
15 and wording of any proposed change or addition of material. The proposed amended
16 pleading shall be serially numbered to differentiate it from previously amended pleadings.

17 Counsel shall electronically file a "Notice of Lodging," attaching the proposed
18 amended pleading as a document separate from the motion, and shall attach as an appendix
19 to the moving papers a "redlined" version of the proposed amended pleading indicating all
20 additions and deletions of material.

21 **c. Motions for Class Certification**

22 The deadline for the filing of a motion for class certification will be set pursuant to
23 the parties' stipulation, during the Scheduling Conference, or in a Scheduling Order.

24 **d. Summary Judgment Motions**

25 Parties need not wait until the motion cutoff to bring motions for summary judgment
26 or partial summary judgment. The hearing on any such motion shall be set for a date in
27 advance of the Final Pretrial Conference. Each side may bring **one** motion for summary
28 judgment or partial summary judgment. The parties shall not attempt to evade the page

1 limitations for briefs by filing multiple motions. **Whenever possible, the party moving**
2 **for summary judgment should provide more than the minimum 28-day notice for**
3 **motions.** The parties should prepare papers in a fashion that will assist the Court in
4 absorbing the mass of facts (e.g., generous use of tabs, tables of contents, headings, indices,
5 pinpoint citations, etc.). The parties are to comply with Local Rule 56-1 through 56-2,
6 taking into account the Court’s additional requirements described below.

7 **i. Statements of Uncontroverted Facts and Genuine Disputes**

8 The Separate Statement of Uncontroverted Facts required under Local Rule 56-1
9 shall be prepared in a two-column format. The left-hand column sets forth the allegedly
10 undisputed fact. The right-hand column sets forth the evidence that supports the factual
11 statement. The factual statements should be set forth in sequentially numbered paragraphs.
12 Each paragraph should contain a narrowly focused statement of fact. Each numbered
13 paragraph should address a single subject as concisely as possible. The “Conclusions of
14 Law” portion of the Statement should be inserted after the Statement of Uncontroverted
15 Facts.

16 The opposing party’s Statement of Genuine Disputes of Material Fact must be in
17 two columns and track the movant’s separate statement exactly as prepared. The left- hand
18 column must restate the allegedly undisputed fact, and the right hand column must state
19 either that it is undisputed or disputed. The opposing party may dispute all or only a portion
20 of the statement, but if disputing only a portion, it must clearly indicate what part is being
21 disputed, followed by a brief citation to the opposing party’s evidence controverting the
22 fact. To demonstrate that a fact is disputed, the opposing party must briefly state why it
23 disputes the moving party’s asserted fact, cite to the relevant exhibit or other piece of
24 evidence, and describe what it is in that exhibit or evidence that refutes the asserted fact.
25 No legal argument should be set forth in this document.

26 The opposing party may submit additional material facts that bear on or relate to the
27 issues raised by the movant, which shall follow the format described above for the moving
28 party’s separate statement. These additional facts shall continue in sequentially numbered

1 paragraphs and shall set forth in the right-hand column the evidence that supports that
2 statement.

3 With its Reply, the moving party shall file a Response to the Statement of Genuine
4 Disputes of Material Fact and Additional Material Facts. For each fact, the Response shall
5 restate the allegedly undisputed fact and state whether the fact is disputed or undisputed by
6 the opposing party. If the fact is undisputed, no further response is required.

7 If the fact is disputed, the Response shall restate the opposing party's evidence and
8 reason for disputing the asserted fact. The moving party may provide a response to the
9 opposing party's reason for dispute, including any reason why the evidence cited by the
10 opposing party does not create a genuine dispute and/or any additional evidence relevant
11 to the asserted fact. This response may either be presented in three columns, with the
12 response appearing in the right-hand column, or in two columns, with a response provided
13 below each fact.

14 The Response may also include any response to additional material facts asserted by
15 the non-moving party, and this response shall follow the format described above for the
16 Statement of Genuine Disputes of Material Fact. The response to these additional facts
17 shall continue in sequentially numbered paragraphs, and shall not restart the numbering.

18 All facts asserted by either party, whether disputed or undisputed, and all supporting
19 evidence cited, shall be included in the Response. **DO NOT REPEAT DESCRIPTIONS**
20 **OF AND CITATIONS TO THE EVIDENCE.** If you have already described and cited
21 the evidence once, simply refer to the earlier citation succinctly (e.g., *See supra*, Fact # 1).
22 See PDF samples on Judge Gee's Procedures and Schedules website for preferred
23 formatting examples.

24
25
26 **ii. Supporting Evidence**

27 No party shall submit evidence other than the specific items of evidence or testimony
28 necessary to support or controvert a proposed statement of undisputed fact. For example,

1 entire deposition transcripts, entire sets of interrogatory responses, and documents that do
2 not specifically support or controvert material in the separate statement shall not be
3 submitted in opposition to a motion for summary judgment.

4 Evidence submitted in support of or in opposition to a motion should be submitted
5 either by way of stipulation or as exhibits to declarations sufficient to authenticate the
6 proffered evidence, and should not be attached to the memorandum of points and
7 authorities. Documentary evidence as to which there is no stipulation regarding foundation
8 must be accompanied by the testimony, either by declaration or properly authenticated
9 deposition transcript, of a witness who can establish authenticity.

10 **iii. Objections to Evidence**

11 If a party disputes a fact based in whole or in part on an evidentiary objection, the
12 ground of the objection should be succinctly stated in a separate statement of evidentiary
13 objections in a two-column format. The left column should identify the items objected to
14 (including page and line number if applicable) and the right column should set forth a
15 concise objection (e.g., hearsay, lacks foundation, etc.) with a citation to the Federal Rules
16 of Evidence or, where applicable, a case citation.

17 **6. PROPOSED ORDERS**

18 Each party filing or opposing a motion or seeking the determination of any matter
19 shall serve and electronically lodge a proposed order setting forth the relief or action sought
20 and a brief statement of the rationale for the decision with appropriate citations. In
21 addition, a copy of the Proposed Order in Word or WordPerfect format shall be emailed to
22 Judge Gee's generic chambers e-mail address using the CM/ECF System on the day the
23 document is e-filed.

24 **7. COURTESY COPIES**

25 All original filings are to be filed electronically pursuant to Local Rule 5-4. No
26 chambers copy is required for CIVIL cases, except at the specific request of the Court.

1 If requested by the Court, chambers copies shall be delivered to and placed in the
2 Judge's courtesy box, located outside of the Clerk's office, on the 4th floor, by 5:00 p.m.
3 on the first court date after the filing date.

4 All exhibits, declarations, etc. to chambers copies must be tabbed, where applicable.
5 Blue-backs and hole punches are not required.

6 Chambers copies of under seal documents shall all be placed together in a manila
7 envelope labeled "UNDER SEAL."

8 **8. TELEPHONIC AND VIDEO HEARINGS**

9 The Court may permit appearances or arguments by way of telephone or video upon
10 a showing that a personal appearance will cause undue hardship. If you wish to appear by
11 telephone or video, you must (a) email the courtroom deputy clerk and copy opposing
12 counsel at least seven (7) days in advance of the scheduled appearance; (b) in the case of
13 telephonic appearances, use a landline to call into the bridge line provided by the clerk;
14 and (c) be available at that number for at least 15 minutes before the time of the scheduled
15 hearing.

16 **9. EX PARTE APPLICATIONS**

17 The Court considers *ex parte* applications on the papers and does not usually set
18 these matters for hearing. If a hearing is necessary, the parties will be notified. *Ex parte*
19 applications are solely for extraordinary relief and should be used with discretion.
20 Sanctions may be imposed for misuse of *ex parte* applications. *See Mission Power*
21 *Engineering Co. v. Continental Casualty Co.*, 883 F. Supp. 488 (C.D. Cal. 1995).

22 Counsel's attention is directed to the Local Rules. *Ex parte* applications that fail to
23 conform to Local Rule 7-19 and 7-19.1, **including a statement of opposing counsel's**
24 **position**, will not be considered except on a specific showing of good cause. The moving
25 party shall electronically serve the opposing party, if possible. A party is considered served
26 once the *ex parte* application has been e-filed (all parties set up for electronic service are
27 sent a notification of ECF filing each time a document is e-filed with a link to the document
28

1 for one free view). Parties set up for service by fax or mail must be served the *ex parte*
2 application by fax or personal service.

3 Following service of the *ex parte* papers by electronic service, fax, or personal
4 service, the moving party shall notify the opposition that opposing papers must be e-filed
5 no later than twenty-four (24) hours following service. If counsel does not intend to oppose
6 an *ex parte* application, he or she must inform the courtroom deputy clerk at (213) 894-
7 5452.

8 **10. CONTINUANCES**

9 This Court has a strong interest in keeping scheduled dates certain. Changes in dates
10 are disfavored. Trial dates set by the Court are firm and will rarely be changed. Therefore,
11 a stipulation to continue or extend the date of any matter before this Court **must** be
12 supported by a sufficient factual basis that demonstrates good cause why the change in the
13 date is essential. Without such compelling factual support and a showing of due diligence,
14 stipulations continuing dates set by this Court will not be approved. Counsel requesting a
15 continuance or extension of time must electronically file a stipulation and lodge a proposed
16 order including a **detailed** declaration of the grounds for the requested continuance or
17 extension of time. Failure to comply with the Local Rules and this Order will result in
18 rejection of the request without further notice to the parties. Proposed stipulations
19 extending scheduling dates do not become effective unless and until this Court so orders.
20 **Counsel shall avoid submitting requests for continuance or extension of time less than**
21 **five (5) court days prior to the expiration of the scheduled date.** A request to continue
22 or extend dates or deadlines that have already expired is presumptively a lack of due
23 diligence.
