11 IN THE MATTER OF ) GENERAL ORDER NO. 11-09  
12 INFORMATION TECHNOLOGY ) (SUPERSEDES GENERAL ORDER  
13 POLICY FOR THE U.S. DISTRICT ) NO. 96-08)  
14 COURT, CENTRAL DISTRICT OF )  
15 CALIFORNIA )

16 This General Order shall supersede General Order 96-08.

17 The Information Technology Committee shall oversee the development and  
18 application of information technology policy for the United States District Court  
19 for the Central District of California. The purpose of this policy is to ensure an  
20 equitable distribution of computer hardware and software in the Court, to ensure  
21 compliance with all laws, regulations and policies, to maintain the highest level of  
22 security throughout the Court, and to ensure efficient management of information  
23 technology. This policy applies to judges, chambers staff (including externs), and  
24 Clerk's Office employees.

25 IT IS HEREBY ORDERED that the following information technology  
26 policy shall be adopted by the Central District of California:

27 **1. HARDWARE**

28 Each District Judge shall be provided with the following computer

1 equipment:

- 2 • four personal computers (PCs) for use by the district judge, judicial  
3 assistant and two law clerks,
- 4 • three laser printers,
- 5 • two personal computers (PCs) for use by extern law clerks when  
6 excess equipment is available in the Information Technology (“IT”)  
7 Department’s inventory,
- 8 • one laptop or notebook computer,
- 9 • one communications device (e.g., cell phone, Blackberry),
- 10 • one computer for use on the bench in the courtroom, and
- 11 • access to the federal judiciary email network (Lotus Notes) and the  
12 Data Communications Network for the Judiciary (DCN), from  
13 chambers, the bench, and supported remote access devices.

14 Each Magistrate Judge shall be provided with the following computer

15 equipment:

- 16 • three personal computers (PCs) for use by the magistrate judge,  
17 judicial assistant and one law clerk,
- 18 • three laser printers,
- 19 • one personal computer (PC) for use by an extern law clerk when  
20 excess equipment is available in the IT Department’s inventory,
- 21 • one laptop or notebook computer,
- 22 • one communications device (e.g., cell phone, Blackberry),
- 23 • one personal computer and one laser printer for each pro se staff  
24 attorney,
- 25 • one computer for use on the bench in the courtroom, and
- 26 • access to the federal judiciary email network (Lotus Notes) and the  
27 Data Communications Network for the Judiciary (DCN), from  
28 chambers, the bench, and supported remote access devices.

1 New or upgraded equipment shall be distributed equitably throughout the  
2 Court in accordance with the Administrative Office (“AO”) Cyclical Replacement  
3 Program and as the budget permits.

4 The IT Department shall maintain an updated equipment assignment  
5 inventory list. This list shall be provided to the district and magistrate judges  
6 upon request.

7 Each piece of equipment shall be tagged and its location logged by the IT  
8 Department. Requests for equipment moves shall be directed to the IT  
9 Department with a minimum of two working days advance notice. Any relocation  
10 of equipment by judicial or Clerk’s Office staff shall be coordinated through the  
11 IT Department.

12 Requests for equipment exchanges and upgrades shall be directed to the  
13 Information Technology Committee for approval.

14 **2. SOFTWARE**

15 All software must be approved, purchased and installed by the IT  
16 Department.

17 All copyright laws, regulations and policies shall be strictly enforced; no  
18 outside software shall be loaded without the prior authorization of the IT  
19 Department.

20 All standard computer configurations shall be in compliance with AO  
21 guidelines. Requests to modify the standard configurations due to unique needs  
22 shall be directed to the IT Department. Any modifications to the standard  
23 configurations shall be made only by the IT Department.

24 The IT Department shall maintain an updated list of all software currently  
25 under license for the Court. This list shall be provided to the district and  
26 magistrate judges upon request.

27 **3. INTERNET ACCESS**

28 All internet access shall be in compliance with the internet access policies

1 of the AO and the Judicial Conference of the United States.

2 All staff shall complete an Internet Access Agreement.

3 **4. SECURITY**

4 To ensure the highest level of security, the following procedures are  
5 recommended to all judicial, chambers and Clerk's Office users:

- 6 • copy all sensitive data files,
- 7 • lock-away mobile data storage devices that contain sensitive or  
8 confidential information,
- 9 • create passwords that are not obvious, such as names of relatives, and
- 10 • do not write down or share passwords at any time.

11 The IT Department shall ensure that passwords are changed at regular  
12 intervals, set in compliance with AO guidelines.

13 To ensure adequate security and confidentiality of the data files on hard  
14 drives, all hardware repair shall be coordinated and managed by the IT  
15 Department.

16 Any computer equipment removed from the district court for use off-site  
17 such as laptop or notebook computers shall be properly secured at all times by the  
18 user. Computer equipment that is lost or stolen while off-site shall be replaced  
19 only if excess equipment is available in the IT Department's inventory. Lost or  
20 stolen equipment shall be immediately reported to the IT Department and the form  
21 for reporting lost or stolen equipment, required by the AO, shall be completed.

22 **5. USE OF COMPUTER EQUIPMENT**

23 Use of computer hardware and software, including access to Lotus Notes by  
24 judicial, chambers, and Clerk's Office staff for personal gain or pleasure shall not  
25 be permitted.

26 All staff shall complete the IT Security Agreement and shall be made aware  
27 of the Court's social media and code of conduct rules.
